Welcome to Inspire Homes

Inspire Homes is a residential home developer building across NZ with a wide range of affordable homes. Our homes are designed with comfort and style in mind, featuring spacious layouts and modern finishes that will make you feel right at home. Every home we build, we build with care. We don't treat homes as stock items or just another notch on the belt. Pride in our work is at the forefront of each project, whether a \$650,000 townhouse or a larger \$1.2m home.

We have built and handed over hundreds of homes and typically have 40-50 under construction at any one time. We often but not always complete the underlying subdivision work to the land before building our client's homes. Our favourite locations are Christchurch, Auckland, Gisborne, Invercargill, Whangarei and Palmerston North.

Inspire Real Estate started in 2008 and has evolved into four distinct divisions - construction, property sales and management and a portfolio of accommodation assets.

My name is Anyos Goczy, and I am the owner of the Inspire group of companies. The firm would be nothing without its loyal and long-serving co-workers and contractors. I am grateful to all involved, and my drive to keep going is a mix of loving my work and ensuring my team is happy and looked after also.

We have two children, Abby and Josh, and my wife Louise is my everything - we have been together since we were 18 years old. They have very little to do with the company but support me continuously. On behalf of everyone, we look forward to working with you.

About The Area

Ravenswood, situated a mere 25 kilometres north of Christchurch city, offers close proximity to the pristine shores of Pegasus Bay, just a brief five-minute drive away. Nestled within the Waimakariri District, a rapidly expanding region boasting a population of over 50,000 people, Ravenswood is an integral part of this dynamic growth story. The district, home to approximately 5,800 thriving businesses, has witnessed an impressive 40% increase since the year 2000, highlighting its economic vigour.

A notable hallmark of Ravenswood is its thoughtfully designed commercial and retail spaces, tailored to meet the everyday needs of its residents.

Savvy investors recognize the potential of these bustling centres in drawing foot traffic and igniting heightened demand for properties within the vicinity. Boasting an eclectic mix of shops, inviting cafes, delectable restaurants, and indispensable services, these spaces contribute to an autonomous and convenient living environment.

Among the roster of conveniences, a New World supermarket, BP service station, fitness centre, preschool, and McDonald's are already operational, catering to the diverse needs of the community. On the horizon, exciting additions are set to grace Ravenswood, including the imminent arrival of renowned brands like Harvey Norman, Gull service station, Joe's Garage café, Coffee Club, and the esteemed Lone Star restaurant, among others.

Acknowledging the profound significance of quality education in family living decisions, Ravenswood places a strong emphasis on providing ready access to esteemed educational establishments. Schools and early childhood centres are integral components of Ravenswood's offerings, catering to the educational aspirations of families choosing to make this community their home.

In summation, Ravenswood's advantageous location, its embrace of comprehensive amenities, and its commitment to nurturing a flourishing community make it a prime investment opportunity for those who seek not only robust property prospects but also the fulfilment of a truly vibrant lifestyle.

Ravenswood has the best of everything, an idyllic rural setting with a new thriving community as well as a growing retail centre. It is only 5 minutes from the local beach and 20 minutes from Christchurch city.

Already home to young families, retirees and everything in-between, Ravenswood has been designed as a community rather than an average subdivision. Along with roads catering to motorists, cyclists and pedestrians there are also two playgrounds which include pump tracks, a soccer field, basketball court, swings and picnic tables.

Ravenswood
Waimakariri – Christchurch
3-bedrooms, two full bathrooms
2-bedroom, one bathroom and open plan living
Single garage and off-street parking for the minor dwelling
Located in the stunning sold out master planned Ravenswood Subdivision – Christchurch, these limited lots benefit from being in a premier Christchurch location. Walkways, supermarkets, commercial amenities and minutes from the beach and only 25kms to the city, this home will be located in one NZ's fastest growing regions. Built by a master builder - Inspire homes is known to provide a specification and fit out unseen at this price level. The agency has rented many homes built by the firm and the feedback is amazing. These sought-after homes will be cherished by tenants and homeowners alike and offer ensuite. There is huge demand in Christchurch for new housing. This demand is across owner occupied and rental properties and our office in Christchurch is overrun with lovely families looking for homes especially in this locale. These homes are architecturally designed with care. This translates into a home that is not just a rental but a home that anyone would be happy to live in. Dual income properties like these are rare let alone securing a section. Complete with stylish open plan living areas, amazing separation between the two dwellings, and storage throughout are some of the reasons why we anticipate very strong demand from occupants. The agency has been placing tenants in Christchurch for over 6 years now.

Rental Guarantee

Like all investments, there are always uncertain elements that can be intimidating. We understand that, and it's why we take some of the guesswork out of the equation by offering a 24-month rental guarantee when you buy from us and choose to have your property managed by Inspire Property Management.

WHY CHOOSE US?

Inspire is focused on ensuring you get the best out of your property. We understand that whether this is your only rental property or one of a growing portfolio, it is just as important.

Backed by years of experience, we will obtain a premium rental value through proven practices and processes. And one of the most fundamental parts of this is to find you the right tenant. We start with our marketing campaign through trusted channels, websites, networking and social media to ensure your property receives the right attention. Inspire will ensure the best tenant is selected for your property using diligence, research and instinct.

As part of the professional management service that we offer you, regular and thorough property inspections will be carried out. As and when repairs or maintenance are required, we will take the hassle out of organising the work.

Above all, communication is key. Our team is trained in all relevant and recent legal requirements and ensures that you are always informed about what is happening with your assets. Whether that is providing detailed reports on tenants, inspections or maintenance, or chasing rent, our service is unmatched.

FREQUENTLY ASKED QUESTIONS

How much is my property being rented for?

Your property will always be advertised and rented at or slightly above market rents at the time it is listed. It's not unusual for the rental market to have shifted from the time you buy to when the project is completed. In the event that the market rent is lower than the guaranteed amount, we will top your rent up to the guaranteed amount.

What does the rental Guarantee cover?

It covers rental vacancies and any shortfall between the market rent and the guaranteed rent amount.

When does the Rental Guarantee commence? 4 weeks from the date of settlement

What fees will I pay?

Our rates are among the best in the industry, set at just 8% of weekly rental income. Tenant placement fees and inspection charges also apply and are detailed in our Landlord's pack. We don't charge marks-up on any arranged repairs or maintenance.

How do I pay my fees?

For your convenience, management fees will be deducted from your rent payments and will be disclosed in your monthly statements.

When will I receive my rent?

The 1st and 16th of every month (or the next business day) to your bank account. Monies received will be the net amount of rent paid minus management fees or expenses incurred.

When will I receive my rent top-up, if any?

In the event the property is vacant, the guaranteed amount will be paid to you weekly. When a top-up is being paid to cover a shortfall, this weekly amount will be bundled together and paid biennially.

Rental Guarantee

Do I get to choose my tenants?

Your Inspire Property Manager will select the most suitable applicant on your behalf after thorough background, credit and reference checks.

Who will ensure my investment property is well looked after?

A crucial role of your property manager is being your eyes and ears at the property. They inspect your property every 3 months and report back to you with plenty of photographs and commentary. If and when challenges arise, the property manager will take careful but decisive action to ensure everything is back to how it should be.

What insurance do I need?

Owning a rental property without insurance is like driving a car without your seatbelt fastened. It is for this reason we require you to take out a landlord's insurance policy to qualify for our guarantee.

Should you allow pets?

This is up to you. Allowing a pet suitable for the size of the property like a cat or a small dog may help attract a broader base of potential tenants and let us secure a tenant for you faster. Pets can make it harder for tenants to find new property to rent so you may find you get a long-term tenant when you allow their pets. Ultimately this is your decision and best discussed with your property manager who will be supportive of whatever option you decide.

What happens if my investment property needs maintenance?

One of the perks of new builds is the 12-month defects warranty and 10-year structural warranty. This means we'll take care of any maintenance required during the warranty period. For any maintenance required outside of the warranty period, your property manager will contact you to discuss the best solution.

Do I need a Healthy Homes Assessment?

Yes, any property being rented must be assessed to ensure it complies with the new Healthy Homes standards and a Healthy Homes statement must be provided for all tenancies starting after July 1st 2021. We will arrange this as part of our Management Agreement with you at our cost.

Why build with Inspire Homes?

FOUNDATIONS

Geotechnical Engineers analyse every section we build on. Our structural engineers design and monitor the construction of the foundation and Rib-Raft slab to ensure it meets the specific ground conditions. Rib-Raft slabs perform better in earthquakes and provide insulation ratings of R2.2.

MASTERBUILDER

Builders must demonstrate professionalism, utilise best practices and maintain strong balance sheets to give their customers confidence in their ability to deliver a sound home they'll enjoy for years.

TIMBER FRAMING

Timber has naturally lower thermal and acoustic conductivity meaning homes with timber frames are warmer and quieter between rooms. All of our framing timber is pressure treated with Boron to make them highly rot-resistant even in damp conditions. Our Flexible Air Barrier systems prevent water from getting in but allow vapour to get out.

THE ENVIRONMENT

Because our frames are also all from locally sourced renewable timber, they're not just better for your home. They're better for the environment. Bradford Insulation is made from 80% recycled glass.

BETTER, SMARTER INSULATION

Bradford Gold's R2.6 Wall Insulation and R3.6 Roof Insulation keep your home warmer in winter and cooler in summer, keeping power bills low. All external walls and ceilings, including the garage, are insulated. We also insulate the internal walls of the garage to create a double thermal envelope to make living areas as comfortable as possible all year round.

THERMALLY BROKEN DOUBLE-GLAZED JOINERY

Windows are responsible for most of the heat lost in winter and heat gained in summer. Our double-glazed windows feature a low-emissivity coating on the panes, Argon-gas in the air channel and thermally-broken frames, which separate the interior and exterior frames with a low conductivity resin so you not only reduce thermal transfer through the glass but through the frame itself.
